

# APPLICATION NOTE

**AN 151**

## **SC100** PART # 2009 Installation Instructions

SUPPLEMENT TO THE ULTRA-ZONE ELECTRONIC STEAM  
POWER HUMIDIFIERS  
MODEL # S2000 AND S2020

The *ULTRA-ZONE* steam humidifier can be equipped with a field installed Decorative and Protective Cover for Under the Duct Installations only. The SC100 provides a protective shell around the exposed insulated tank and provides a visually pleasing finish to the installation.

The SC100 is just the latest innovation in the *ULTRA-ZONE* Steam Humidifier line as we continue in our pursuit of Excellence Without Compromise.
